

REVISED VERIFIED EXPERT OPINION ACCORDING TO

FLORIDA LAW

STATE OF FLORIDA

COUNTY OF BREVARD

GEORGE W. DODGE AND "AS ALL OTHER PREDATORY FIDUCIARIES" ALSO DEFIED AND IGNORED ALL DR'S ORDERS & ALL EMAILED REQUESTS FOR URGENT DENTAL AND MEDICAL CARE-9/20/22 & 10/16/22 & 1/16/23, 1/28/23, 5/8/23, 5/22/23, 5/24/23, 5/27/23, 5/29/23, 6/5/23, 6/17/23, 10/3/23-BLACK EYE GRAVE INJURY AT COBBDALE, 10/18/23, 11/2/23, 1/4/24, 1/5/24, 1/23/24-ATTACHED EXHIBITS

1. I am a medical expert as defined by Florida law, and that I am regularly engaged in the practice of my profession, hold a Doctor of Osteopathy degree from A. T. Still University in Missouri and have completed an Emergency Medicine residency program from

Delaware Valley Medical Center in Pennsylvania. I possess special health care knowledge and skills about the subject upon which I provide this opinion. I have practical knowledge of what is usually and customarily done in this case. I am board-certified in Emergency Medicine and licensed to practice in the state of Florida. I am currently actively practicing Emergency Medicine in the state of Florida.

2. . I have reviewed the following records pertaining to Ms, Elaine Kapusta:

a. Lab results from Quest labs, and LabCorp labs.

3. . It is my medical opinion that after reviewing the medical records you sent me, Ms. Elaine Kapusta was diagnosed with Myelodysplastic Syndrome-(MDS) by Dr. William Ershler, MD. in February 2024. Her labs show:

On September 27, 2022, Ms. Kapusta's complete blood count was the following:

WBC = 4.9

RBC= 4.64

HGB 13.9

HCT - 43.6

Platelets = 176

On January 25, 2023 her complete blood count results were:

WBC= 4.9

RBC = 3.85

HGB = 12.1

HCT: 38.1

Platelets = 107

On October 26, 2023, her complete blood count results were:

WBC = 3.0

RBC=2.26

HGB 8.0

HCT = 23.8

Platelets = 118

On August 2, 2024, her complete blood count results were:

WBC = 5.74

RBC = 2.32

HGB = 8.2

HCT = 25.5

Platelets = 125

4. These values are consistent with Myelodysplastic Syndrome-(MDS) according to hematologist Dr. Ershler: From September 2022 to August 2024, Ms. Lynn Kay reported that Ms. Elaine Kapusta received no medical care and medical treatment for Myelodysplastic Syndrome-(MDS) from a physician. If a patient has Myelodysplastic Syndrome-(MDS), that patient needs a bone marrow biopsy and treatment by a hematologist. Treatment options include blood transfusions, growth factors, medications to suppress the immune system, and possibly bone marrow transplants. This would require numerous outpatient visits, and possibly an inpatient stay in hospital.

5. Based on the review of the medical records, and testimony from Ms. Lynn Kay, Ms. Elaine Kapusta went nearly two years with the disease of Myelodysplastic Syndrome-(MDS) and did not receive any medical treatment. It is my opinion, that this meets the criteria for medical elder neglect as per Virginia Criminal law under section 18.2-369-B.

6. I have further reviewed numerous emailed medical records sent to me from Ms. Lynn Kay regarding her mother and her medical care. Below are my opinions after reviewing them that I attest to.

a. I have reviewed all 30 emails or articles numbered on the associated pages.

b. I agree Ms. Lynn Kay was correct in requesting an anemia workup looking for the possible diagnosis of Myelodysplastic Syndrome-(MDS) in her mother in 2023 and 2024.

c. I agree that Ms. Kay was correct in requesting a dental evaluation in 2022 and 2023 to look for a dental abscess in her mother's mouth. Dr. Cusumano eventually diagnosed Ms. Kapusta with one on 5/8/23. Also Dr. Cusumano recommended sedation dentistry, Comprehensive Evaluation and follow-up Treatment.

d. I agree that Ms. Kay was correct in requesting blood cultures be drawn on Ms. Kapusta when Ms. Kapusta was suffering from multiple recurring urinary tract infections in 2022 and 2023.

e. I agree that in 2023 and 2024 and 2025, Ms. Kay was correct in requesting an iron panel testing for evaluation for Ms. Kapusta being evaluated for receiving an iron infusion as she has suffered since December 2022 with Myelodysplastic Syndrome-(MDS) and was eventually

diagnosed with iron deficiency anemia on 5/22/23. Additionally, she was eventually diagnosed with Myelodysplastic Syndrome-(MDS) in February 2024 by both Dr. Dappen and Dr. Ershler.

f. I agree that Ms. Kay correctly and necessarily informed all fiduciaries since 1/28/23, including Dr. Dappen and Jeanne Blue- Eldertree regarding this very concerning occurrence of platelets and red blood cell destruction. This request for a hematologic evaluation should not have been ignored.

g. I agree that Myelodysplastic Syndrome-(MDS) is a "blood cancer" recognized by Cancer.org as being so.

7. These were Ms. Kapusta's last normal CBC values on 10/24/22. The lab results since then have all been abnormal in one way or another.

WBC-3.3

RBC-4.60

HGB-14.1

HCT-43.6

PLT-167

8. Ms. Kapusta has a history of Myelodysplastic Syndrome-(MDS) since December 2022. If she has not had an evaluation for red blood cell transfusion, and iron infusion to treat this disease, I recommend that she have this evaluation by a hematologist. The evaluation should include a bone marrow biopsy for confirming Myelodysplastic Syndrome-(MDS), and then beginning the proper treatment.

9. Ms. Kapusta has a history of a dental abscess requiring a dental evaluation and antibiotics. However, an oral surgeon has to perform an incision and drainage procedure to fully treat the dental abscess properly. If Ms. Kapusta has not had this evaluated by a dentist or oral surgeon, to fully resolve the abscess diagnosed in May 2023, I recommend she have this done. She may require sedation for the evaluation and treatment to be done.

10. In both 2023 and 2024 Ms. Lynn Kay had concerns regarding her mother needing to be evaluated for "blood cancer and immunodeficiency". Ms. Kapusta was eventually diagnosed with "immunodeficiency" on 2/7/24 by Dr. Ershler, and Myelodysplastic Syndrome-(MDS) on 2/9/24 by Dr. Dappen.

III: CONCLUSION:

1. Finally, there is a downward trend in comparing laboratory results from September 27, 2022 to August 2, 2024. Ms. Kapusta maintained lower hemoglobin, lower hematocrit, and lower platelet levels during this period. Although the white cell count remained normal, this trend is consistent with her diagnosis of Myelodysplastic Syndrome-(MDS).

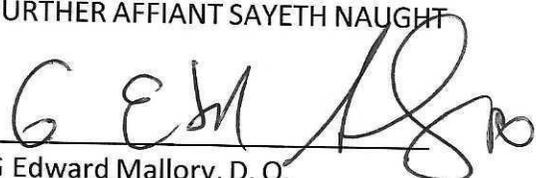

2. Ms. Elaine Kapusta received antibiotics for a dental infection on May 9, 2023, from Dr. Cusumano.

3. Based on lab values, Elaine Kapusta has only deteriorated outside of her home from 6/5/23 to 8/2/24, the last available lab values, and without receiving any medical care suffering myelodysplastic syndrome since December 2022.

4. Ms. Kapusta failed to ever be provided any proper medical care. This shows that Elaine living away from the care of Ms. Lynn Kay and being away from home has been detrimental to Elaine's health.

5. Thank you for the opportunity to help you in this medical situation.

FURTHER AFFIANT SAYETH NAUGHT

G Edward Mallory, D. O.

February 6, 2025

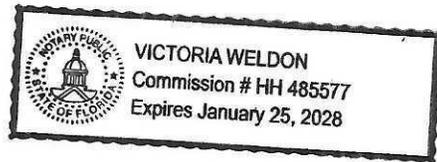

The foregoing Affidavit was acknowledged before me, an officer duly authorized in the State and County aforesaid, to take acknowledgment, this 17th day of February in the year 2025, by G. Edward Mallory D.O., who is personally known to me or has produced FL DL as identification.

10/18/23, 11/2/23, 1/4/24, 1/5/24, 1/23/24-ATTACHED
EXHIBITS

In addition, I request that my mom finally be medically properly evaluated for all vitamin deficiencies with my mom having not only a complete vitamin panel done, along with a Complete Iron Panel done and for evaluating for an infection and blood cancer and for all Immunodeficiencies in the Virginia Hospital-(Arlington) immediately to occur to finally allow my mom to receive the proper Standard of Care Medical Care and medical treatment for my mom's health to be entirely restored.

And I also respectfully request that my mom is returned home permanently for her complete recovery after blood transfusion being discharged with mom also receiving IV FLUIDS and IV NUTRIENTS for her hopeful complete restoration without needing any antipsychotics or laxatives or suppositories and the like of which all deleterious and dangerous medication was only given at Cobbdale which has entirely caused so very much Injury, Illness, Disease and Infection to my mom without my solely caring for my mom.

I also respectfully ask that the Court order "The Estate" to pay for Dr. Franco Musio-(Medical Expert Witness) to be hired immediately by "The Estate" to comprehensively evaluate all of my mom's 1 1/2 years of her medical labs to tell the entire story of everyone's "Medical Neglect" from "Shifflett" medical neglect causing my mom to become so gravely ill prior to 6/30/22 Virginia Hospital, including my mom wrongly not receiving any Antibiotics for 8 days after 6/30/22 Virginia Hospital Admission and then also from 9/27/22-present day 10/26/23 labs of my mom losing 52% of her once-healthy 2022 blood cells and bone marrow being destroyed by untreated and ignored bacterial bloodstream infections causing anemia with the destruction of her once-healthy blood cells after suffering through her 2nd bacterial bloodstream infection on 8/11/22 and then her 3rd on 10/7/22 when "Dappen", "Dodge" and "Eldertree" also then continued "Medically Neglecting" my mom.

And documenting how after 10/24/22, "Dappen", "Dodge" & "Eldertree" all medically neglected my mom by giving absolutely no Proper Standard of Medical Care and Treatment and entirely withheld all needed dental and medical appointments and proper labs and proper treatment and gave dangerous FDA-BLACK-BOXED unapproved medications and all of the other extremely harmful wrongly prescribed medications and refusing for 5 months to do anything medically proper for my mom after 5/11/23 having brought my mom to the sickest that my mom has ever been.

I request that the Court order that all of my mom's medical information of all Cobbdale Medication Lists and Paragon daily notes and Cobbdale daily notes and any and all recent November and December labs having been done be immediately provided to me today as my mom's medical information has been withheld from me continually since 6/6/23.

"Dappen", "Dodge, and "Eldertree" medical elder neglect of my mom has entirely destroyed my mom and my mom has been entirely refused to be allowed for her to have any proper medical care for more than an entire year of withholding medical care in none of them ever seeking my mom's "Best Interests" for medically properly caring for my "infectious" and "Severely Anemic" mom which has so very uncaringly and so inhumanely being allowed to occur has as a direct result caused my mom to have an entirely destroyed immune system which has as a direct result now caused my mom to suffer multiple weeks from an entirely ignored "upper respiratory infection" simply because they all did not give my mom any Proper Medical Standard of Care since October 2022.

AFFIDAVIT OF PAUL KAPUSTA

I, Paul Kapusta, being duly sworn, depose and say as follows:

- 1. Attendance at Hearing:** I attended an Emergency Petition Court hearing on January 4, 2024, alongside my cousin, Lynn Kay, concerning allegations of medical neglect and abuse involving Elaine Mae Kapusta.
- 2. Observations During Court Hearing:** During this hearing, I witnessed Lynn Kay inform all relevant fiduciaries present of her concerns regarding the medical neglect and abuse of Elaine Mae Kapusta. Lynn specifically raised the issue that her mother may have been suffering from "possible blood cancer." which was also stated in the Supplement filed for the Court Hearing with Lynn seeking Hospital Admission for Evaluation.
- 3. Response of Fiduciaries and Legal Representatives:** I witnessed the fiduciaries, in attendance fail to do anything to request medical care as well as George W. Dodge's attorney, refute Lynn's claims, denying any concerns regarding Elaine Mae Kapusta's health. I further attest that George W. Dodge's attorney stated that "she was fine," effectively dismissing Lynn's assertions regarding her mother's medical condition.
- 4. Dismissal of Case with both Laurie Kirkland and Elizabeth Wildhack failing to investigate to protect Elaine Mae Kapusta and failed to provide care also denying this right of Elaine's to receive medical and dental care.**
- 5. Without Investigation:** Despite Lynn's statements and concerns of "documented medical neglect and medical abuse" presented for the hearing, the case was dismissed without any court-ordered investigation into the claims of neglect and abuse regarding Elaine Mae Kapusta.
- 6. Subsequent Medical Confirmation:** Within approximately one month following the dismissal of this case, Lynn Kay's assertions were substantiated. Both Dr. Ershler and Dr. Dappen subsequently confirmed the diagnosis of pancytopenia-4-5 months and immunodeficiency and myelodysplastic syndrome-"blood cancer" in Elaine Mae Kapusta, thereby validating Lynn's claims. This confirmation suggests a failure to properly address or investigate the claims initially presented and as a result Elaine has suffered to thisday being denied life-saving care.
- 7. Witness to Statements Denying Neglect:** I further attest to my personal knowledge of statements made by George W. Dodge's legal representative denying that Elaine Mae Kapusta had any medical issues or concerns at the time, in direct contradiction to the later confirmed medical diagnosis which on 1/31/24-George W. Dodge terminated Lynn Kay's

MYCHART ACCESS in order to seek to conceal these "damning medical reports" which Lynn then sought via a court order for her mom's records.

I affirm under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

Code of Virginia

Title 18.2. Crimes and Offenses Generally

Chapter 8. Crimes Involving Morals and Decency

1/17/25

§ 18.2-369. Abuse and neglect of vulnerable adults; penalties.

A. It is unlawful for any responsible person to abuse or neglect any vulnerable adult. Any responsible person who abuses or neglects a vulnerable adult in violation of this section and the abuse or neglect does not result in serious bodily injury or disease to the vulnerable adult is guilty of a Class 1 misdemeanor. Any responsible person who is convicted of a second or subsequent offense under this subsection is guilty of a Class 6 felony.

B. Any responsible person who abuses or neglects a vulnerable adult in violation of this section and the abuse or neglect results in serious bodily injury or disease to the vulnerable adult is guilty of a Class 4 felony. Any responsible person who abuses or neglects a vulnerable adult in violation of this section and the abuse or neglect results in the death of the vulnerable adult is guilty of a Class 3 felony.

C. For purposes of this section:

"Abuse" means (i) knowing and willful conduct that causes physical injury or pain or (ii) knowing and willful use of physical restraint, including confinement, as punishment, for convenience or as a substitute for treatment, except where such conduct or physical restraint, including confinement, is a part of care or treatment and is in furtherance of the health and safety of the vulnerable adult.

"Neglect" means the knowing and willful failure by a responsible person to provide treatment, care, goods, or services which results in injury to the health or endangers the safety of a vulnerable adult.

"Responsible person" means a person who has responsibility for the care, custody, or control of vulnerable adult by operation of law or who has assumed such responsibility voluntarily by contract or in fact.

"Serious bodily injury or disease" includes but is not limited to (i) disfigurement, (ii) a fracture, (iii) a severe burn or laceration, (iv) mutilation, (v) maiming, or (vi) life-threatening internal injuries or conditions, whether or not caused by trauma.

"Vulnerable adult" means any person 18 years of age or older who is impaired by reason of mental illness, intellectual or developmental disability, physical illness or disability, or other causes, including age, to the extent the adult lacks sufficient understanding or capacity to make

communicate, or carry out reasonable decisions concerning his well-being or has one or more limitations that substantially impair the adult's ability to independently provide for his daily needs or safeguard his person, property, or legal interests.

D. No responsible person shall be in violation of this section whose conduct was (i) in accordance with the informed consent of the vulnerable adult that was given when he was not vulnerable a person authorized to consent on his behalf; (ii) in accordance with a declaration by the vulnerable adult under the Health Care Decisions Act (§ 54.1-2981 et seq.) that was given when he was not vulnerable or with the provisions of a valid medical power of attorney; (iii) in accordance with the wishes of the vulnerable adult that were made known when he was not vulnerable or a person authorized to consent on behalf of the vulnerable adult and in accordance with the tenets and practices of a church or religious denomination; (iv) incident to necessary movement of, placement of, or protection from harm to the vulnerable adult; or (v) a bona fide recognized, or approved practice to provide medical care.

1992, c. 551; 1994, c. 620; 2000, c. 796; 2001, c. 181; 2004, c. 863; 2007, cc. 562, 653; 2012, cc. 476, 507; 2019, c. 234; 2022, cc. 259, 642.

The chapters of the acts of assembly referenced in the historical citation at the end of this section may not constitute a comprehensive list of such chapters and may exclude chapters whose provisions have expired. 11/27/20
